plot twist: there is no kevin. they are all secretly sparkly the mcsparklylord the allwing, who has multiple minds and controls multiple accounts at one time.

do not believe a word they say!!

except the six-winged part, sparkly the mcsparklylord most definitely has six wings

Who are we to wonder where we're going?

Who am I to tell me who I am?

Let's take it back, and take in every moment

Who am I, to tell me who I am?

I am the true Kevin. They are IMPOSTERS!

Yep - definitely reincarnated Am Egg. But I guess butterflies do come from eggs, after all...

Just don't go invading random threads and proclaiming Kevin, ok? Keep all your glorious butterfly-ness in its jar and we should be fine.

Definitely don't want another mass banning incident.
